STATEMENT UNDER §152 OF THE ATOMIC ENERGY ACT

OK
We, **Timothy W. Lovenberg**, citizen of the United States of American and residing in San Diego, California, USA, and **Wai-Ping Leung**, citizen of Canada and residing in San Diego, California, USA, declare as follows.

1. We made and conceived the invention described and claimed in U.S. Patent Application Serial No. 09/993,159, filed in the United States of America on **November 5, 2001**, and entitled "**Histamine Receptor H3 Modified Transgenic Mice**."

2. We made and conceived this invention while employed by Ortho-McNeil Pharmaceutical, Inc.; the invention is related to the work we were employed to perform and was made within the scope of our employment duties; and the invention was made during working hours and with the use of facilities, equipment, materials, funds, information and services of Ortho McNeil Pharmaceutical, Inc.

3. To the best of our knowledge, the invention was not made or conceived in the course of, or in connection with, or under terms of any contract, subcontract or arrangement entered into with or for the benefit of the United States Atomic Energy Commission or its successors: Energy Research and Development Administration or the Department of Energy.

DOCKET NO.: ORT-1528 PATENT

The undersigned inventors declare further that all statements made herein of their own knowledge are true and that all statements made on information and belief are believed to be true, and further that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
